

WEDNESDAY 24 – FRIDAY 26 NOV 2021

PADERBORN UNIVERSITY  
ZUKUNFTSMEILE 2, FÜRSTENALLEE

## TRR 266 Annual Conference 2021

Paderborn is excited to host the third Annual Conference, and even more excited, given the current situation, to (hopefully) welcome our members in person instead of via Zoom. The conference will take place at the “Zukunftsmeile 2” (Future Mile): an innovative new building aimed at collaboration and exchange. We look forward to fruitful discussions and insights. We outlined our preliminary program, as well as submission and registration requirements, below.

## PROGRAM DETAILS

**Keynote**

We are pleased to inform you that we will welcome two key note speakers. On the first conference day Clemens Fuest will join us. The key note for the second conference day has not been confirmed yet, but will be announced soon.

**Poster Session**

This year we will host a Poster Session on the first conference day. Each of the projects is expected to submit a poster, outlining its progress and plans. This serves as a good ‘exercise’ for our next hearing, where PhDs and PostDocs are expected to present/defend their projects. Together with the C03-Team we will host a brief workshop in October to discuss what we expect as well as how to best prepare and design your poster. Templates will be made available in September. Please submit your paper or proposal until **November 1** via Nextcloud [here](#).

**Preliminary Program Outline****Wednesday, Nov. 24**

14:00–16:30 Female Mentoring  
19:30 Welcome & Introduction

**Thursday, Nov. 25**

09:00–18:30 Conference  
19:30 Dinner

**Friday, Nov. 26**

08:00–15:30 Conference

## SUBMISSION &amp; REGISTRATION DETAILS

**Paper submission**

The conference offers different presentation formats and is open to the presentation of research at all stages. Please submit your paper or proposal until **October 4** via Nextcloud [here](#).

**Registration**

The Annual Conference is your yearly opportunity to (re)connect with all of your TRR 266 colleagues. We expect all of you to join, but nonetheless kindly ask you to confirm your participation no later than **October 4** by registering [online](#).

**Logistics**

Each participant must arrange its own travel and accommodation. Of course, all expenditures for the conference travel can be paid from your allocated DFG travel funds. Paderborn University has agreements with several hotels for reduced rates, a list will follow in due course.

**Questions?**
