

**School of Business and Economics**

**Doctoral Research fellow** for up to 6 years - E 13 TV-L HU

(3/4 part-time employment limited until 30.06.2023, thereafter 1/2 part-time employment, renewed increase in working hours if applicable)

The successful candidate will contribute to the general teaching and researching program of the accounting group at the School of Business and Economics at the Humboldt-Universität zu Berlin and conduct research within project B02 "Private Firm Transparency" of the transregional Collaborative Research Center TRR 266 "Accounting for Transparency" funded by the German Research Foundation (Deutsche Forschungsgemeinschaft - DFG).

The researchers of TRR 266 investigate the determinants of corporate transparency and its societal consequences. Within this overall research program project B02 studies the determinants and effects of private firm transparency, covering topics like the role of private firm transparency for the labor market and exploring whether financial analysts or the market for mergers and acquisitions are affected by private firm transparency.

Job description: As a pre-doctoral member of TRR 266/B02, you will work in the area of empirical accounting and private firm research. This also entails tasks pertaining to your scientific qualification (PhD).

Requirements: You are passionate about research and have completed a Master's degree in business, economics or a related field of study. You are experienced in empirical research, have excellent analytical skills and are able to communicate effortlessly in English. You are a great team player, have an independent way of thinking and show a high level of commitment.

Please send your application documents (cover letter, CV, relevant certificates) quoting **reference number AN/271/21** in electronic form as one PDF file to Andrea Häußler ([wpruefung@wiwi.hu-berlin.de](mailto:wpruefung@wiwi.hu-berlin.de)). **The Application deadline is November 24, 2021.** For additional information, please contact Ulf Brüggemann ([u.bruggemann@hu-berlin.de](mailto:u.bruggemann@hu-berlin.de)) oder Joachim Gassen ([gassen@wiwi.hu-berlin.de](mailto:gassen@wiwi.hu-berlin.de)).

The Humboldt-Universität zu Berlin aims to increase the share of women in research and teaching and, thus, emphatically encourages qualified female researchers to apply. Applications researchers with a migration background are highly welcome. Preference will be given to disabled persons with equal qualifications.
